MEMORIES LIKE THE CORNERS OF MY MIND

Sometimes when we go to games or out with friends we became one big force. No longer are we individuals in our own cliques but are united into one. It must be this closeness that creates school spirit and loyalty, all of us searching for the same goal.

At School we don't realize that somehow everyone we have met there have in some way changed us, made impressions on us that will always be there no matter what.

At times we get hurt and begin to think that we don't need anyone anymore. But then we realize that everything we are is because someone at sometime touched our lives.

EDON HIGH SCHOOL

Under the direction of Mr. Gallehue the 1975 EHS Band was very active. After much practice and hard work, the band presented many fine half time shows at all the home football games. In the winter the band presented an excellent Christmas concert. In March the band travelled to Anthony Wayne H.S. for the District Band contest where they received an excellent rating. Members of the band participated in the All County Music Festival at Stryker in the Spring. Lu Gearhart, Al Depew, Pam Lump and Cindy Lemmon all attended the solo and ensemble contest at B.G.S.U. Senior Lu Gearhart was presented the Lions Club Arion Award at the high school awards day.

When Harold Hill (Jeff Thiel) set out to swindle River City, Iowa with his boys band, he never dreamed he'd fall in love with the town's librarian (Lu Gearhart). Before his friend Marcellus (Jim Herman) could help him get away, the River City townspeople discovered his plan and the Constable Locke (Larry Maugherman) took him into custody immediately. With the help of Marian (Lu Gearhart) and Winthrop (Tim Maugherman), Harold was able to escape Mayor Shinn's (Lynn Kundard) punishment of tar and feathers and even became accepted by River City when the band finally did play at the fourth of July celebration.

Edon High School presented "The Music Man" in May. It was the first all school musical ever presented and it proved to be a big success. The show was complete with singing, dancing, and costumes for all.

You tell him, Lu.

Now here's the story . . .

TWELVE ANGRY MEN

Under the superb direction of Lyn Peugeot and student director Kathy Curry, fourteen E.H.S. Juniors and Seniors presented Twelve Angry Men. A modern play of suspense and drama about a panel of jurors who have to make the decision of whether a man should live or die. As the play began only Lynn Kundard believed the man was innocent, but one by one he convinced the others and the play ended with Mark Hug finally giving in. The play was presented in the round to involve the audience more. A job well done to all the participants.

GRADUATION 1975

On May 25, 1975 sixty-five seniors graduated from Edon H.S. Valedictorian honors went to Mark Hug with Lucinda Held serving as Salutatorian and Jeff Thiel reading the Class Prophecy. Special music was provided by the Senior Ensemble and the E.H.S. Band. The Seniors chose regal blue and light blue as the colors for their robes, with carnations tipped in dark and light blue. Their motto was Either We Will Find A Way Or We Will Make One. The Top Ten Percent consisted of Mark Hug, Lucinda Held, Jeff Thiel, Wanda Moore, Ellen Sutton and Mike Muehlfeld. Good-Luck to all the Graduating Seniors.

SMILES, LAUGHTER, TEARS . . . MEMORIES

What memories are more meaningful than those spent with friends. Smiles shared between close friends and tears shed after heart breaking ballgames stick in peoples minds forever. Four years of high school seems like a short time, but these four years are usually the most important years of an individuals life. What years are more meaningful or fun. The memories are there forever, even though people may change.

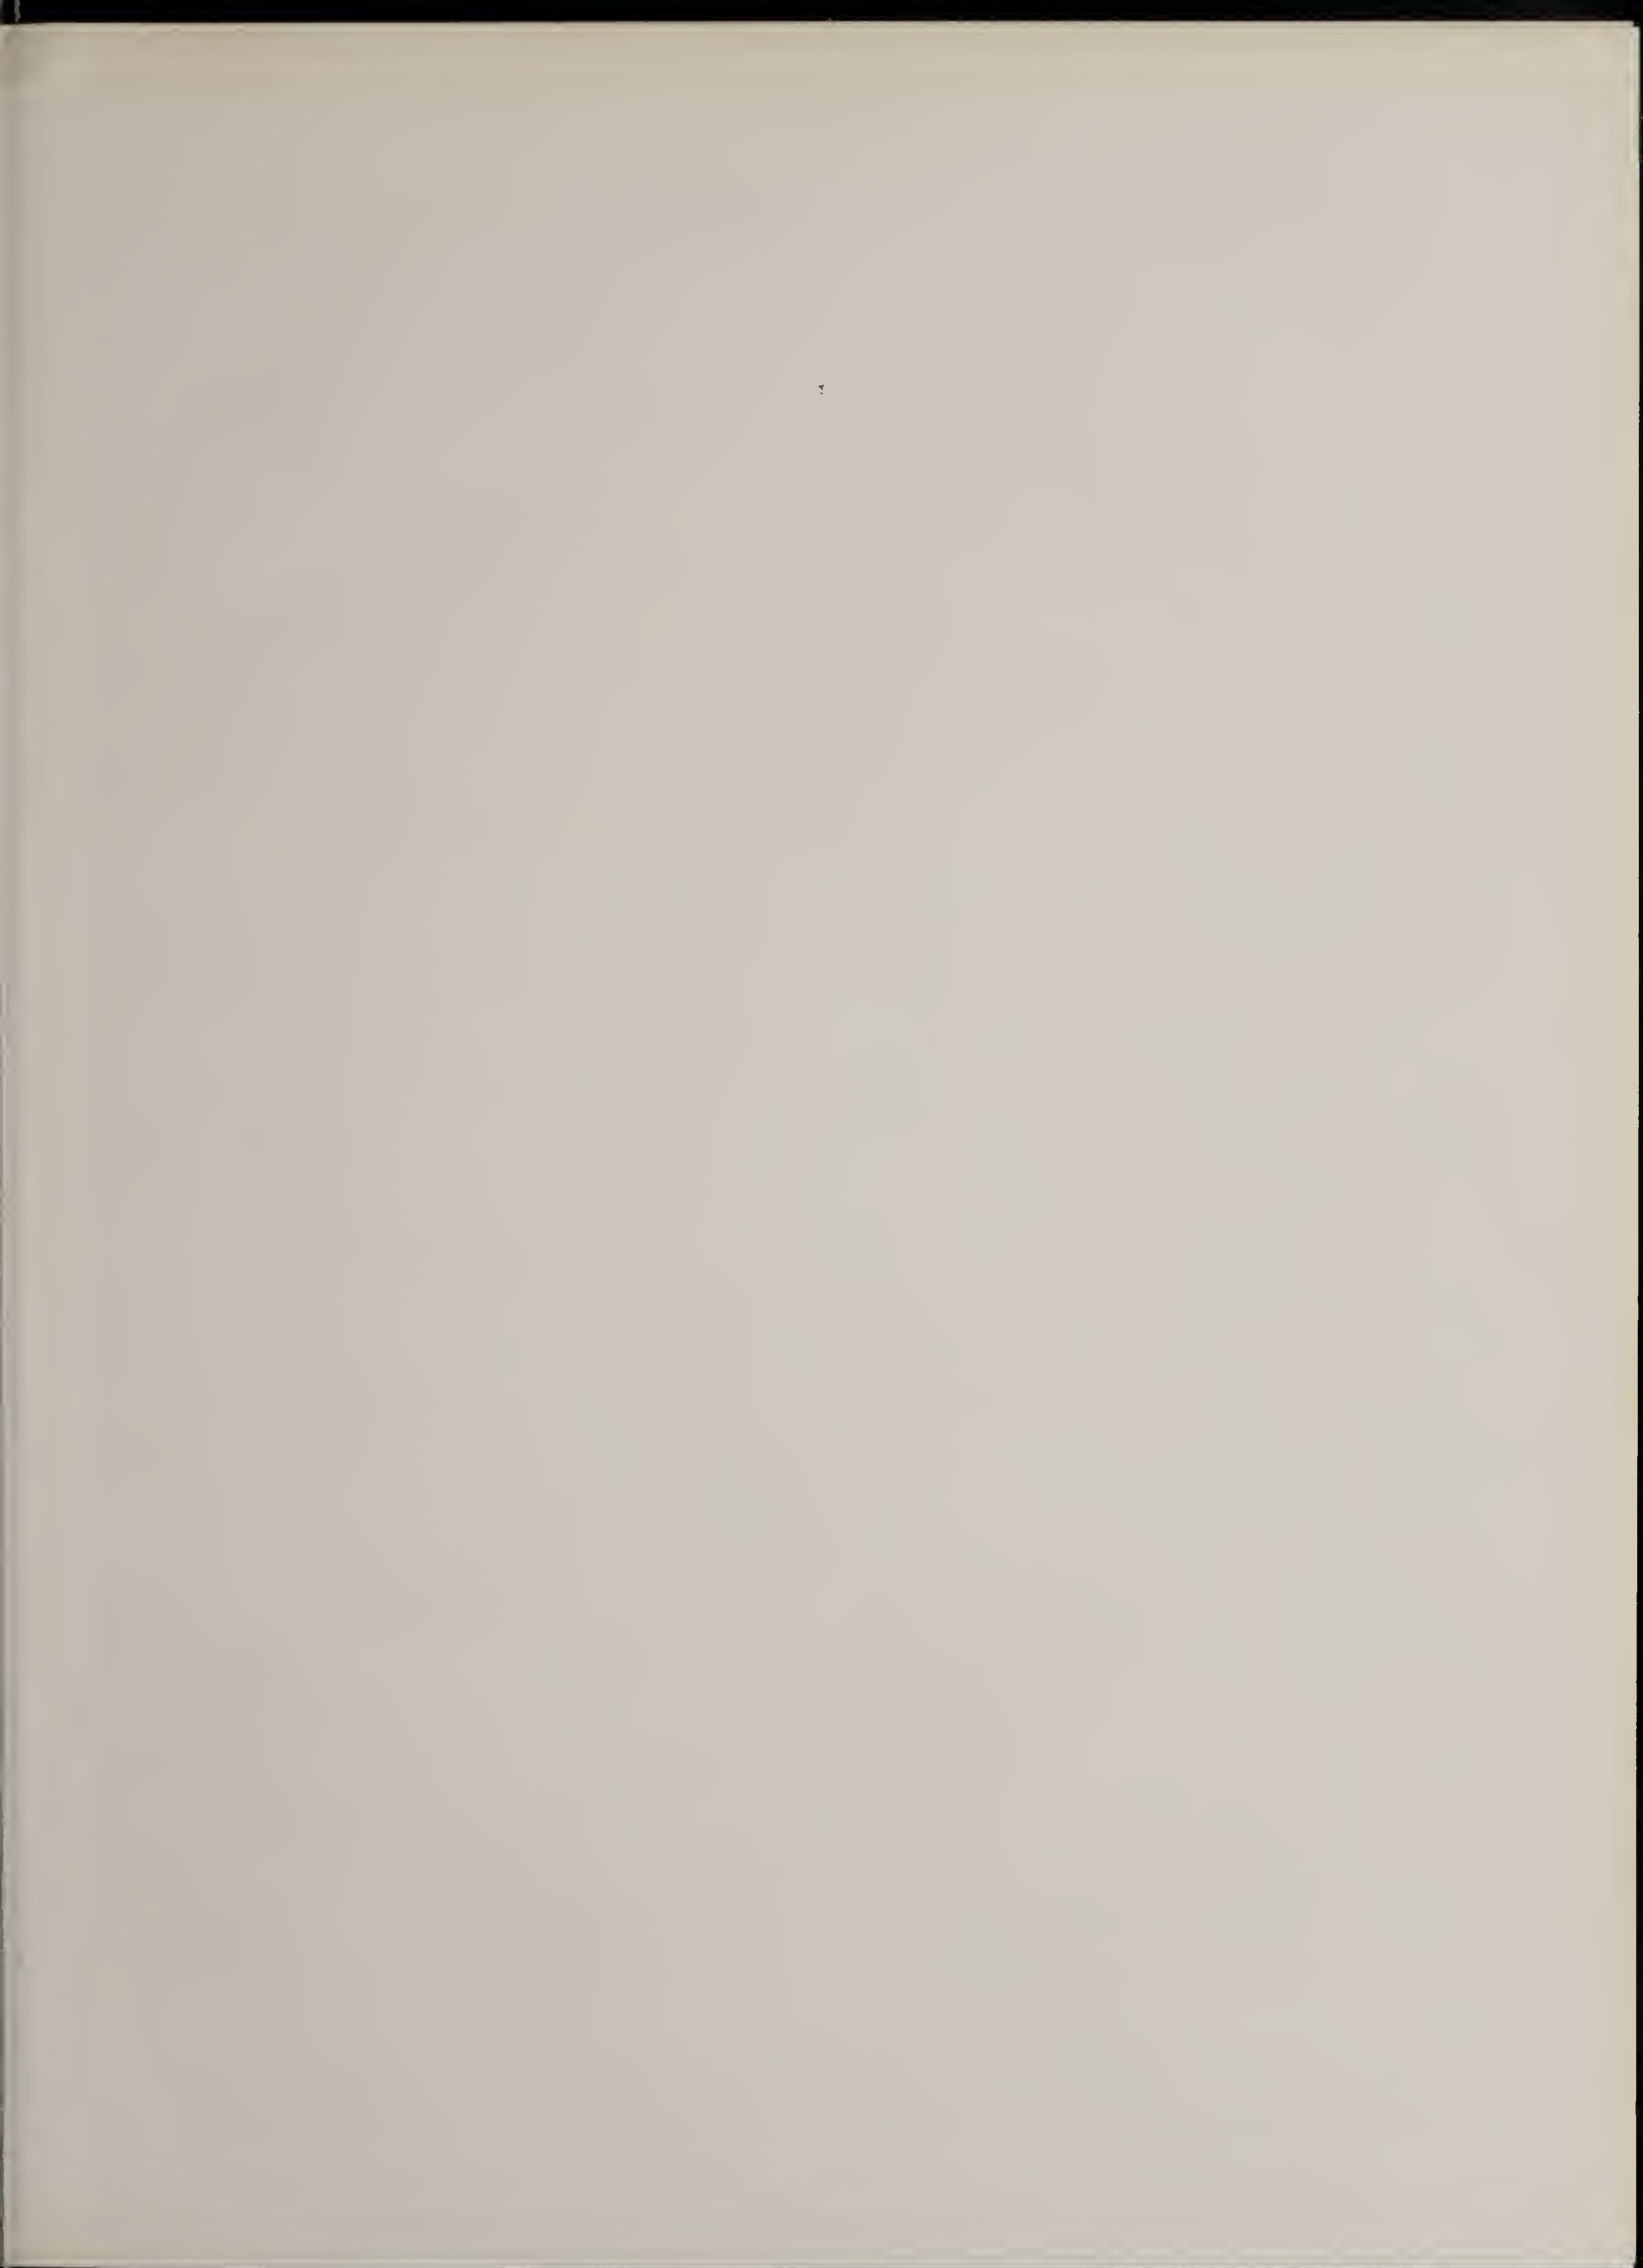

Moments shared with friends, parties for celebration or no reason at all, smiles we gave to one another, fights that broke up friendships and the words of forgiveness that only you knew meant so much. Memories, what lives are made of and what futures depend and build upon. These years can never be lived again, but if we had the chance to do it all again would we, could we?

SMILES WE GAVE
TO ONE
ANOTHER

FOR THE WAY WE WERE

Kathy,

To a really good friend
of mine who I really
appreciate & like to talk
to lots. Let's keep thinking
of those Graperine quips.
Remember all of the great
times we've had - staying
at each others houses, etc....
It's been super knowing
you - I hope our friendship
lasts. Lots of luck!

Love,
Sherry

Kathy,

I don't know how I would survive this
year without you there. Even though this year
is a real drag at times, try to remember all
of the good times: 8th period in Dan's room,
GAA hat day, & putting the hack on our
favorite injured cheerleader. Luck & Love in all
that you do. We will be friends forever.

Love ya,
Gail

Kathy,

To one of my best
friends and great
photographer. Never
forget the fun we've
had with these Annuals.
You've really helped
me out alot in Annual
stuff by just being there
willing to work. Best
of luck in the future, you've
got it coming. love ya,
Sue
